**Car parking in central Bath is restricted as a result of the limited amount of space available. The information put together in this document should enable you to understand the options you have for parking in Bath and help you to decide on the best solution for you.**

In the first instance **we recommend that you do not come to Bath by car.** We are very close to the bus and train station (2 – 5 minutes walk). Nowhere in Bath is more than a 20 minutes stroll and bus services are very good. If this is not possible, the following options are available:

■ No hotel nor guest house in the city centre has its own car park. However, there are two public car parks very close to The Henry and Three Abbey Green. The nearest is next to the Police Station in Manvers Street.

■ Public car parks are free overnight from 19.00 until 08.00. At other times parking is £1.10 per hour, except on Sunday (£1 per 2 hours, up to a maximum of £4).

■ Street parking is free every evening from 18.00 until 08.00 and all day on Sundays in designated boxes and on single yellow lines.

■ For visitors who stay several days and will not need their vehicle during their visit, we can direct you to where parking is FREE – just outside the city centre parking zone. This will involve a pleasant fifteen minutes' stroll back to the city centre.
